The Commander's Corner...

Hello all Members and family
What a dismal way to end a year that started out to be a record breaking year in economy and health. We as Americans and Veterans and I'm sure that we, as a Country, will survive. We as Veterans and Family will pull together and bring our Post back to hopefully some normalcy.

This Covid-19 is not a thing to take lightly. As everybody knows we had to make a decision to close the Post in December then extend that closure because of the many members that reported to sick call. Please take this virus seriously. Hopefully, after the first of the year we might get back to some normalcy.

As said in the past, your elected officers are working to do their best to maintain and keep the Post in repair and maintained. Even though we were not open the maintenance and up keep continued. Please help and support your Post.

Just a reminder, as of January 1, 2021 if you have not paid your 2021 dues, your membership will have expired and your key card will be disabled. Please renew your 2021 dues and support our great American Legion Post. Remember we our a family of our own..

For God and Country
Stay safe and healthy
See you at the Post
God Bless and be safe

Neil Dunnington

Neil Dunnington, Commander

From the Auxiliary...

Happy New Year!

I hope everyone had a wonderful holiday season and were able spend it with loved ones.

We will be hosting another blood drive on February 24th so please spread the word. Anyone can sign up to donate at www.redcross.org or see me and I will sign you up. The hours are 12:30 to 6:30 pm.

We continue to be hopeful that the Covid tables will turn sooner rather than later and we can then resume our normal Post functions and festivities.

Stay healthy,
Lisa Drahman
Auxiliary President
